ATTAINMENT OF PROGRAMME OUTCOMES, PROGRAMME SPECIFIC OUTCOMES AND COURSE OUTCOMES AND METHODS OF EVALUATION

The Institution regularly evaluates the performance of students through various methods for measuring the attainment of each of the Program Outcomes, Program Specific Outcomes and Course Outcomes.

Evaluation Process: The programme outcomes and Programme Specific outcomes are assessed with the help of course outcomes of the relevant programme through direct and indirect evaluation process. Direct evaluation process is provided through University Examinations, terminal exams, internal and home assignments, unit tests, surprise tests, open book tests etc.

Throughout the year the faculty records of the performance of each student on each programme outcome. Besides each faculty is assigned with mentor-mentee scheme under which specific number of students are provided with special guidance to assigned programme. At the same time remedial coaching is also provided to slow learners and economically backward classes students to make the pace with the desired progression.

Average attainment in Evaluation Process: Students under university examination are evaluated for 50% to 80% of total marks and institution for 50% to 20% marks as internal and external assessment under semester pattern while students of annual pattern are evaluate for 100% marks by the concerned university.

Students enrolled for courses offered by institution are evaluated by the institution itself at the same time observations of student knowledge and skills against measurable course outcomes are evaluated throughout the year.

Indirect assessment continuously monitored through feedback from Student, Employer, Alumni and Parent which is collected, analyzed and necessary action is initiated.

According to the above, each Programme outcomes and Programme specific outcomes are assessed and finally found the attainments.

The Methods of measuring attainment:

1. Annual and End Semester University Examination The affiliating University conducts examinations as per semester and annual pattern through which the institution measures

programme outcomes based on the course attainment level fixed by the programme. It is a direct evaluation process.

2. **Internal and External Assessment** Internal assignments are given to the students with the purpose that student will refer the text books and reference books to find out the best answers and understand the expected objectives of the given assignments. The assignments given are mostly aligned with Programme Outcome of the respective subject. External Assessment is evaluated by external experts appointed by University through Viva-voce and practical record book.

3. **Institutional Examination and Tests** Students are assessed and evaluated throughout the year at institutional level through unit test, surprise test, terminal examination and the performance of the student is analyzed for assessing the attainment level of programme outcomes and programme specific outcomes.

4. Feedback Evaluation: The Institution collects feedback from students, Alumni, Employers and Parents which is an important method of measuring attainment with objectives of identifying the attainment level of students in terms of programme, subject, course and syllabus outcomes and to understand the impact of teaching learning process.
